

We unleash the stored potential in your business, unlock productivity and profitable growth and build happy, healthy and high-performing teams. We're living in one of human history's most exciting yet complex and challenging times. Business leaders today have a unique opportunity to rise to these challenges and stand up to address the world's toughest issues.

With the right culture, strategy, and delivery system, your business can become invincible – ready to thrive through whatever global challenge comes your way.

OUR STORY

At Tactical Edge, we understand in the power that principle centred, energised, and aligned people can bring to business. We are dedicated to helping organisations unleash their stored potential and achieve the transformational change required to reach high performance.

Our High Performance Accelerators have been born out of decades of lived experience operating within and implementing genuine High Performance environments. We deliver our world-class high-performance accelerator programmes and consultancy services to a global audience of hungry manufacturing, construction, maintenance, and operational businesses that have the ambition to achieve the highest performance levels and play their part in shaping a different future.

IMPROVISE · ADAPT · OVERCOME

OUR VISION

We envision a world of high-performing businesses and leaders solving the toughest challenges of our time, with ease, and our accelerators have played a part in shaping a different future.

We know that entrepreneurs and business leaders who use their organisations as a force for good will be the difference makers in addressing the critical global challenges we all face. Productivity and profitability hold businesses back from doing more, and we believe that Tactical Edge has a role to play in creating a high-performing, innovative, and sustainable world for generations to come.

OUR MISSION

Our mission is to help businesses deliver the generational change our planet needs by unlocking their high performance potential.

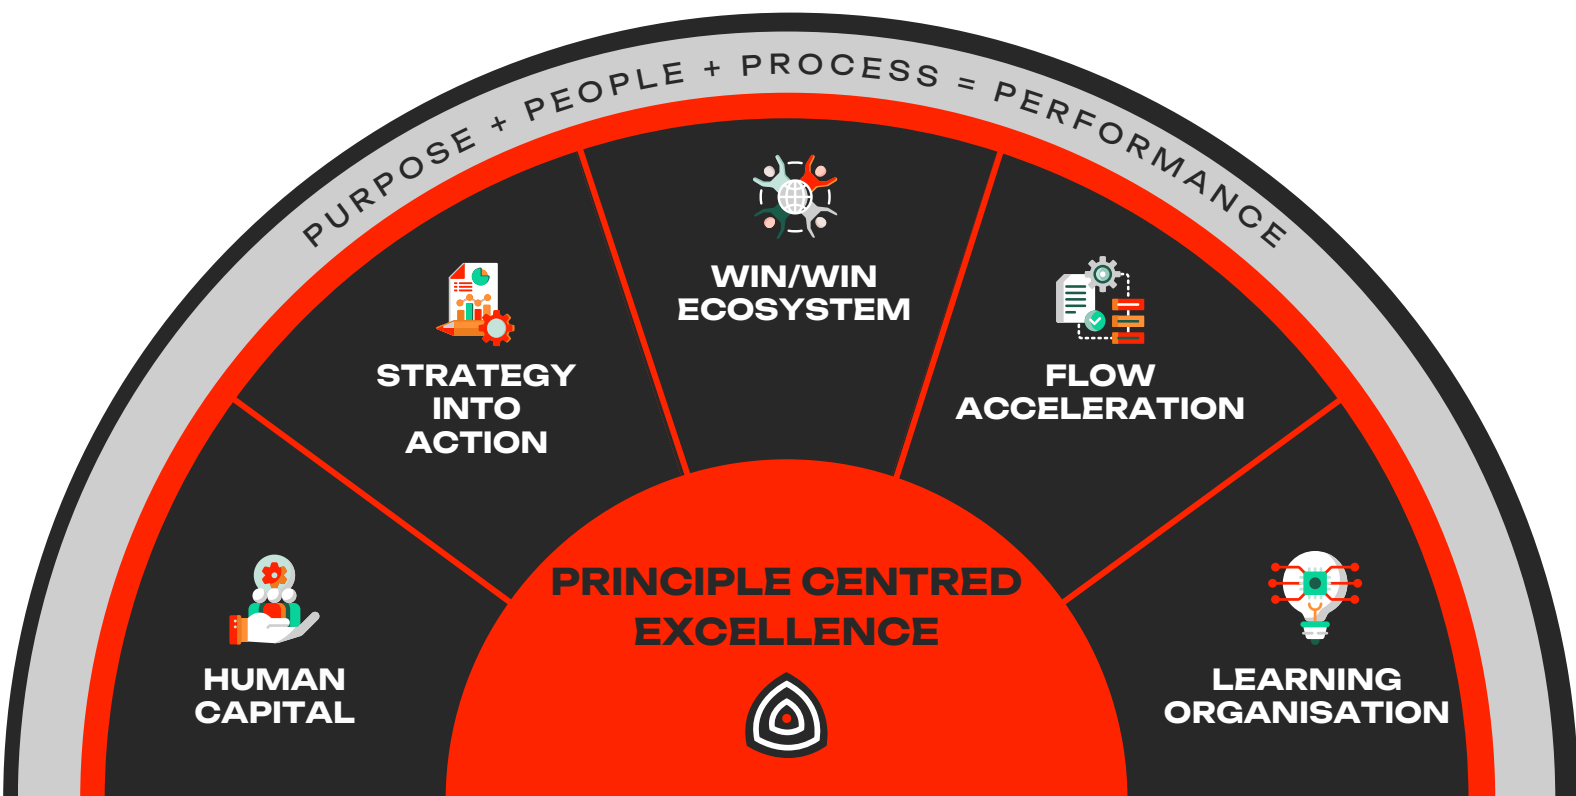

Through our High Performance Accelerator, we provide business leaders with the principles, systems and tactics that will create the transformational change required to make a bigger impact on the world and enable them to gain the Tactical Edge. Our proven approach harnesses the potential of human capital, makes organisational culture a habit and turns chaos to calm.

OUR CORE VALUES

OUR HIGH PERFORMANCE ACCELERATOR PROGRAMME

Our accelerator programme is our systemised and structured delivery mechanism used to create sustainable, high-performance transformation in your organisation. Once your organisation has gone through our High-Performance Accelerator Programme, your teams will be happier and healthier, your business will be more productive, profitable, and valuable, and your organisation will be more attractive for talent to join and stay than ever before.

CULTURE @ STRATEGY @ DELIVERY

“SUCCESS IS NOT FINAL, FAILURE IS NOT FATAL: IT IS THE COURAGE TO CONTINUE THAT COUNTS.” - WINSTON CHURCHILL

OUR IMPACT

INCREASED ENGAGEMENT

Engaged teams operate 44% better outputs than typical organisations with inspiration being the top rated trait sought after by employees for their leaders - our high performance accelerator programme sparks employee engagement and lights up inspired teams.

PRODUCTIVITY & PROFITABILITY GROWTH

High-performing organisations are **40% more productive** and experience up to **21% higher profitability**. We equip your business with the principles, systems and tactics required to drive efficiency and accelerate growth.

IMPROVED TALENT RETENTION

We see high performing businesses with **59% lower turnover rates** and save thousands in hiring costs. Our programme helps you build a workplace where top talent stays, thrives, and drives success.

CLIENT TESTIMONIAL

“An experienced consultancy with a great work ethic who built an immediate rapport with the client by demonstrating specialist knowledge, innovative ideas and best practices with a professional service delivering exemptional results.”
